

## **BII - PDF FORMS**

To save you time BII will make available on our website, various forms commonly used by our clients. They will all be in PDF Format. You will be able to simply click on the form name and print it out on demand.

Dependent on your search engine the PDF's may appear larger or smaller on your screen. Use CTRL + to increase or CTRL – to change the size of the forms on your screen.

All of the PDF forms are designed to automatically print on standard letter paper. Simply put your mouse cursor on the form, Left Click then Click Print to bring the form up in your printer.

These PDF forms may not be completed electronically online®. After you print them they will have to be completed and then either mailed or emailed to us.

Additional PDF Forms will be added to our website over time. In the future you may wish to watch for PDF's titled Special Offers.
